# My room

I've got my own room.

My room is big.

I've a door, a wardrobe, a window, a long bed, a desk, a green carpet, three shelves, a aquarium, a bedside table, a window ledge, a curtain, a wall, a ceiling, a floor, three pillow, a blanket, a dustbin, a TV, a receiver, books, a clock, a desk lamp, a processor, a chair. This is my cool and pretty room.

I would like a new bed.
